

CV Maker

It is an application that simplifies the task of creating a resume for individuals. Individuals just have to fill up a form that specifies questions from all required fields such as personal questions, educational, qualities, interest, skills and so on.

- **Login Page**

The screenshot shows the login page of the CV Maker application. The window title is "CV Maker". On the left, there is a large purple square containing a white stylized "cv" logo. To the right of the logo, the text "Username" and "Password" are displayed in yellow. Below these labels are two white input fields. Under the "Password" field, there is a small "Password" label. Below the input fields are two yellow buttons: "Login" and "Skip". At the bottom, there are three social media icons: a red and white envelope icon, a black and white GitHub icon, and a blue and white LinkedIn icon.

- **Home Screen**

The screenshot shows the home screen of the CV Maker application. The window title is "CV Maker". The background is a solid blue color. In the center, the text "CV MAKER" is displayed in large, bold, black capital letters. Below this text, there is a vertical stack of seven white rounded rectangular buttons: "Personal Info", "Education", "Skills", "Work Experience", "Projects", "Achievements", and "Destination Folder". To the right of the "Destination Folder" button is a smaller white rounded rectangular button labeled "Browse". At the bottom center, there is a white rounded rectangular button labeled "Generate CV". In the bottom right corner, there is a white rounded rectangular button labeled "Logout".
